THE MINISTER OF STATE IN THE DEPARTMENT OF DEFENCE PRODUCTION AND SUPPLIES IN THE" MINISTRY OF DEFENCE (SHRI SHIVRAJ PATIL); (a) and (b) In the Madras and Delhi Editions of the Hindu dated 10.7.87 no report of any call given by the Andhra Pradesh Chief Minister for total self-reliance in developing country's defence requirements could be located. However, it may be mentioned that a fair degree of self-reliance in the manufacture of conventional weapons and ammunitions exists within the country. In the area of sophisticated weapons and ammunitions efforts are continuously made to increase indigenous capability.

It would not be in the public interest to disclose the details.

Installation of TV. relay centre at Udagiri in A.P.

2043. SHRI TALARI MANOHAR; Will the Minister of INFORMATION AND BROADCASTING be pleased to state:

(a) whether Government have conducted any survey to start a T.V. relay centre at Udagiri Hills in Nellore district of Andhra Pradesh;

(b) if so, what are the details of the survey and whether Government consider it feasible to start a T.V. relay station there; and

(c) if not, what are the reasons there for?

THE MINISTER OF STATE OF THE MINISTRY OF INFORMATION AND BROADCASTING (SHRI AJIT PANJA); (a) No, Sir.

(b) Does not arise.

(c) A 100 W TV transmitter is, at present, functioning at Nellore. TV service in Nellore district is expected to improve with the commissioning of a High Power (10 KW) TV transmitter at Tiru-pati towards the end of the Seventh Plan period. Provision of TV service to the remaining uncovered parts *ot* Nellore district including Udagiri would depend upon availability of resources in the future plans of TV expansion.

Amount borrowed under extended tend facility

2044. SHRI TALARI MANOHAR: Will the Minister of FINANCE be pleased to state:

(a) the total amount borrowed under the extended fund facility (EFF) and the trust fund administered by the IMF ;ince 1980 to 1985;

(b) whether it is a fact that these borrowings from the IMF are proving too costly with the obligations in rupee terms going up following the depreciation of the rupee against the SDR; and

(c) if so, the amounts re-paid till June 30, 1987 and the steps taken by Government for quick re-payments to IMF?

THE MINISTER OF STATE IN THE DEPARTMENT OF EXPENDITURE IN THE MINISTRY OF FINANCE (SHRI B. K. GADHVI): (a) to (c)

PURCHASES UNDER EFF

India had drawn SDR 3900 million (equivalent to Rs. 4115.19 crores *al.* the then prevailing rate) from IMF under the Extended Fund Facility (EFFt during the period November 1981 to Aptil I 1984. The drawals under, EFF were in the form of purchase of SDRs or other foreign currencies against Indian rupee which were deposited into IMF account with RBI at exchange rate prevailing on the dates of each drawal.

The drawals from IMF under EFF were in SDRs and the repayments are also made in SDRs. The rupee amounts corresponding to these transactions which are credited)debited by RBI to IMF account maintained by them at the exchange rates prevailing on the dates of drawal| repayments are relevant only for account-purposes.

In accordance with tii$_e$ articles of agreement of IMF the valus of Indian rupees held by IMF is required to be maintained in terms of SDRs am is revalued every year on 30fa April on the basis of Rupee —SDR parity rate on that date. Additional rupees required to be paid to IMF for thi$_s$ purpose are Kept with RBI in the form of non-negcliable and nou-inte-rest bearing securitie' which does not involve any cash outj o.

Repayments to IM of the above mentioned EFF borrowing are made 'n the form of repurchase of Indian rupees in return for SDR$_S$ or other foreign currencies specified by IM ' at the exchange rate prevailing on th date of repurchase. The Indian rupees re purchased are debited to IMF account wi h RBI and credited to Government acc< unt.

Upto 30th June, 987, *v/i* have repaid to IMF, SDR 687 25 million (equivalent to Rs. 979.54 crores). The outstanding balance anount to be repaid is SDR 3212.75 milli $_{.n}$ (equivalent to Rs. 5304.25 crores *t* the current Rupee— SDR parity rate). The repayments are scheduled to be co iipleted on 29th April 1994

LOAN FROM TR 1ST FUND

India had taken a loan of SDR 529.1 million (equivalen* to Rs. 537.51 crores at the then preval ing rate) from Trust Fund administered by IMF in August 1980. Upto 30th June, 1987 w$_e$ have repaid an amount >*t* SDR 157.638 million (equivalent to Rs. 241.08 crores) and the balance amount < f SDR 371.371 million (equivalent to R: 612.32 crores at the current SDR—Ri nee parity rate) is to be repaid upto 1-th August, 1990.
